1.	Money	In 2009 the hospital used \$5,000 of our money to help 49 people. We will be able to spend \$10,000 in 2010. We will have \$70,000 in our endowment base after depositing the \$6,000 from the Christmas Goose. Total amount brought in by the Christmas Goose was \$20,795.47. After paying vendors and expenses we got \$6823.45. We will put \$6000 in the endowment and keep the rest in our checking account to cover expenses for future events.	
2.	Bracelets	Deborah's sons have been selling the beaded cancer awareness bracelets to friends and family. They have brought in \$200 and will keep selling. We still have about 50 to sell. Marlys will find out if we could sell them in the hospital gift shop.	Marlys
3.	Colon Cancer Month	March is colon cancer awareness month. Karen has lots of the blue colon cancer free bracelets. We will attach Wendy's Wish cards to the rest of them and put them out in baskets around the hospital. Marlys will design an informational table display to put next to the baskets. We could also put some of the signs at restaurants and quilt shops around town.	Karen, Marlys
4.	Goals of Website	Jodi will see if they can do denim day at the bank again this year. Jodi would like to post all information about Christmas Goose for vendors. She brought copies of what the Snowflake Boutique posts. Al suggested posting an "IN Memory or Honor List" if donor want a remembrance of that type. Something about what to expect when you get a Colonoscopy was suggested. List volunteer opportunities in the front page.	Jodi Jodi, Michelle Karen, Marlys
